14th February 2019

Pre Planning Consultation - Proposal to Build Permanent Classrooms and an Extended Hall at Wroxall Primary School, Wroxall, Isle of Wight.

This letter is to seek your views ahead of a planning application to build permanent classroom accommodation and to extend the hall at Wroxall Primary School. The proposals allow the school to accommodate the existing numbers of children at the school in suitable, long term accommodation. We would like to consult on the proposals and, as part of this consultation, invite you to a drop-in session on Monday 25th February 2019 at Wroxall Primary School hall between 3.00pm and 7.00pm. County Council officers will be available to discuss the plans and listen to any comments you may have regarding this proposal.

It is proposed that building works might commence in the Autumn of 2019 and complete in the Spring of 2021.

Reason for proposal

The proposals seek to address shortfalls in the existing accommodation by providing permanent classroom spaces, an enlarged hall, internal re-modelling and refurbished interiors.

Further Information

The proposed building plans will be made available for viewing via the school's web site.

You can make your views known by writing to Jade Kennett, Strategic Development Officer, Floor 4, County Hall, Newport PO30 1UD or by e-mail to jade.kennett@iow.gov.uk by March 30 2019.
