Dear Parents/Carer,

Stone Age Experience Day Thursday 11th January

On Thursday 11th January we are very lucky to have the opportunity to experience the day in the life of a Stone Age person. We have Stone Age experts coming into school from the Time Taxi team. They will be showing us how the Stone Age people lived and we will get a chance to have a go at making our own Stone Age tools and string to build our own shelters.

Most of the activities will be taking place outside so children **do not need school uniform** but must be **wearing old, warm clothing including a warm coat and old trainers** as it might get a bit muddy. The weather recently has been cold, so a hat and gloves may be appropriate as well.

Apart from all the amazing activities we will be doing it is a normal school day so your child's lunch arrangements are as per usual.

I hope you will agree that this is a fantastic opportunity for the kids and one I am really looking forward to. We will be putting lots of pictures of the day on our class blog so please check it out.

Yours sincerely,

Mr B. Woodhouse
