Dear parents/carers

Blossom class are thrilled to invite you to our Stone Age Museum on **Wednesday 7th February, from 1:30 - 2:30pm.**

Parent share afternoons offer a fantastic opportunity to see how hard your child has worked and what they have been creating as a part of their Stone Age topic. It also gives the children an opportunity to discuss and explain their work to others using facts and information they have found out throughout this half term.

Blossom class have been busy preparing their museum over several weeks and look forward to greeting you when our museum doors open next week.

If you are able to make it please complete the slip below and return to school as soon as possible.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'B Woodhouse', written over a horizontal line.
