

STENBURY FEDERATION

Date:

Child's Name:

Dear parent/carer,

Stenbury Federation sometimes take photographs of pupils. We use these photos on our newsletters, class blogs, on our school websites, Facebook pages and on display boards around school. We may continue to use these photographs in promotional material after your child has left the school. We never name children on public photographs.

We would like your consent to take photos of your child, and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Please **tick** the relevant box(es) below and return this form to school as soon as possible.

- I am happy for the school to take photographs of my child
- I am happy for photos of my child to be used on the school website (class blogs)
- I am happy for photos of my child to be used by the local press on occasions
- I am happy for photos of my child to be used on our school's Facebook page
- I am happy for photos of my child to be used in internal displays

- I do **NOT** give my consent for the school to take or use any photos of my child

If you change your mind at any time, you can let us know by calling in to the school office or by using the contact information below.

Why are we asking for your consent again?

You may be aware that there are new data protection rules coming in from May. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.
