## REMINDERS

A polite reminder that our school gates open at 8:45 am and registration closes at 8:55 am. Any children arriving after 9am will be marked as "late after registration" which counts as an absence for that session on their school record. Late arrivals are disruptive to the class and teacher so we are grateful for your assistance with this.

## SCHOOL NEWS

Welcome back to the final half-term of the School year. We are looking forward to all the different Summer events which are coming up – please see the panel to the left for diary dates.

**Staffing:** We are currently finalising classes for next year. Once these have been confirmed we will let you know who your child's teacher will be in September. Miss Bennett and Miss Paterson will be moving on at the end of this academic year. I would like to thank them for all their hard work during their time here, and hope you will join me in wishing them both all the best in their new schools.

Next week Year 5 will be enjoying an interactive history show all about Ancient Egypt, Year 3 will be putting their best foot forward at the Country Dancing Festival, and the NSPCC will be working with all the classes on a special workshop called "Speak Out, Stay Safe".

Wishing you all a lovely weekend.

Interim Executive Head

### PTFA NEWS

#### Summer Fair

The Summer Fair will take place on 7th July from 5pm. Keep an eye out for our new banner soon! The winner of the poster competition has been chosen and will be announced next week.

We are always in need of helpers to help set up, man stalls, and pack away. If anybody can help in anyway please let a committee member know or speak to Jess in the office. We have some fabulous raffle prizes already but if anyone is able to donate any additional prizes please let us know.

Some of our children were lucky enough to be invited to a County Show educational taster day this week. They were able to take part in a variety of activities including handling the animals, viewing (and sitting on) vintage tractors and taking part in a woodland experience with fire lighting. The children invited to the experience day were children who have shown a special interest in science this year. The children and staff all had a wonderful day full of fun and happiness and everyone behaved incredibly well. Well done to all who attended!

Year 2 will be doing a number of special activities for the County Show including decorating a giant letter (this will be used in a display at the show to spell out the words "Village Green"), making a collage for the poultry tent and designing posters for the show.
