Dear Prospective Class Teacher

I am delighted that you have requested an application pack, and are considering whether you wish to further your teaching career here with us at Wroxall Primary School, part of the Stenbury Federation.

We are a one form entry primary school in Wroxall, Ventnor, on the Isle of Wight which has grown considerably over the last few years. We therefore have grand plans for the future in a rapidly developing school. There is substantial building work due to take place from September 2019 to develop the facilities for the children and staff. The school is currently organised into seven classes that correspond to the academic year groups Reception to Year 6 and we have the added bonus of providing education to the nurse children from 2yrs to the start of school. All classes have appropriate teacher assistant support according to need.

Wroxall Primary School is an exciting place to be! This is a great opportunity for someone who is keen: to develop their teaching skills; be proactive in raising standards of attainment and to embody our vision of providing the very best for each and every pupil. We are seeking an excellent teacher who has energy, enthusiasm, drive and dedication to join our team to bring about quality outcomes for all the children.

Please read the Job Description and Person Specification carefully and complete the application form giving as much relevant information as you can.

The school is a reflective environment and you will be expected to contribute to a strong team ethos focussed to improvement.

I would love to meet you to show you around so you can meet the children and staff and discuss this role further with me. Please contact the school office to make an appointment. I hope you will choose Wroxall Primary as the place for you to continue your career.

I look forward to receiving your application.

Yours sincerely

Rebecca Day
Headteacher

The application process

In the recruitment pack you will find a person specification and job description as well as an application form and equality monitoring form. Please complete and return all relevant documents to the school for the attention of Mrs Rebecca Day before noon on Wednesday, 22nd May 2019.

Stenbury Federation is committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to Disclosure and Barring Service checks along with other relevant employment checks.
