Signing In

- **Children who arrive with parents/carers.** Please bring your child through the front entrance. Ring the bell by the entrance door next to the office to alert club staff to your presence. They will collect your child and sign them in.
- **Older children who walk to school.** If your child walks to school on their own, please inform the School Office so that we can arrange for them to be signed in. This is important as it helps us to keep older children safe by ensuring that we know where they are meant to be.
