

Coronavirus (COVID-19): risk assessment for schools

Schools need to ensure the risks from coronavirus (COVID-19) continue to be managed effectively to help protect their staff, pupils, and the rest of their school community as the country enters step 4 of the roadmap out of lockdown. This means that school employers and leaders are legally required to think about the risks staff and pupils face and do everything reasonably practicable to minimise these risks. Schools must make sure a risk assessment has been undertaken to identify the measures needed to reduce the risks from coronavirus and make the school COVID-secure.

Schools must regularly review and update their risk assessments, treating them as 'living documents'. Staff and their health and safety representatives must be notified of review outcomes. Schools should also communicate any changes in procedures to parents.

School employers have a legal duty to consult their employees on health and safety in good time. It may also be appropriate to involve pupils and parents in these discussions to help them understand the measures that are being put in place.

Schools should share the results of their risk assessment with staff and consider publishing it on their websites to provide transparency for pupils and parents – HSE expects all employers with over 50 staff to do this. Once completed, the risk assessment needs to be monitored and reviewed regularly, to ensure the measures are working and to take action to address any shortfalls.

Schools should consider the measures outlined in the DfE's '[Actions for schools during the coronavirus outbreak](#)' to inform decisions on what control measures should be implemented. The template risk assessment below has been created in line with DfE guidance regarding how schools should operate with full provision.

This resource will be kept up-to-date with new guidance and any changes to current advice.

Wroxall Primary School

<p>Assessment conducted by: Lynn Torrance</p>	<p>Job title: Headteacher</p>	<p>Covered by this assessment: staff, children, visitors and parents</p>
<p>Date of assessment: 01.09.20 updated: 09.11.20 03.01.21 10.01.21 (reflecting National lockdown restrictions): 02.01.21 to reflect the introduction of lateral flow testing 23.02.21 to reflect the full re-opening of school 01.04.21 to reflect lockdown being lifted and CEV staff returning to work 26.04.21 to reflect minor updates – any visitors being requested to take a lateral flow test and report a negative result before entering school. 11.07.21 – updated to reflect new guidance with regard to schools not operating in bubbles beyond 19th July 2021 23.08.21 - updated to reflect new government guidance including NHS test and track. 10.09.21 – updated with regard to ventilation, actions to take if a staff member tests positive and unvaccinated staff.</p>	<p>Review interval: in response to relevant government updates</p>	<p>Date of next review: July 2022</p>

Risk rating		Likelihood of occurrence		
		Probable	Possible	Remote
Likely impact	Major Causes major physical injury, harm or ill health.	High (H)	H	Medium (M)
	Severe Causes physical injury or illness requiring first aid.	H	M	Low (L)
	Minor Causes physical or emotional discomfort.	M	L	L

Please note: This risk assessment is a live document which is reviewed and updated in line with changes to government guidance and public health advice. Staff and their health and safety representatives will be notified of any changes to this risk assessment.

Area for concern	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
Awareness of policies and procedures	<u>H</u>	<ul style="list-style-type: none"> All staff and volunteers are aware of all relevant policies and procedures, including, but not limited to, the following: <ul style="list-style-type: none"> Health and Safety Policy Social Distancing Policy First Aid Policy 	Y	Headteacher	Sept 2021 - ongoing	M

		<ul style="list-style-type: none"> - Behaviour Policy ● Pupils are supported to understand and follow the relevant school policies and procedures, including, but not limited to, the following: <ul style="list-style-type: none"> - Social Distancing Policy - Behaviour Policy ● All staff have regard to all relevant guidance and legislation including, but not limited to, the following: <ul style="list-style-type: none"> - The Health Protection (Notification) Regulations 2010 - The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) 2013 - Public Health England (PHE) (2017) 'Health protection in schools and other childcare facilities' - DfE (2021) 'Schools coronavirus (COVID-19) operational guidance (applies from step 4)' - DfE (2021) 'Actions for early years and childcare settings during the coronavirus (COVID-19) outbreak (applies from Step 4)' - DfE (2021) 'Use of PPE in education, childcare and children's social care' ● Staff receive any necessary training on measures that have been implemented that are relevant to their role, e.g. infection control and pupil wellbeing. ● The school keeps up-to-date with advice issued by, but not limited to, the following: <ul style="list-style-type: none"> - DfE - NHS - PHE - Department of Health and Social Care - The school's local health protection team (HPT) ● All staff, volunteers, parents, pupils, visitors and contractors are made aware of relevant infection control and other measures in place via email, particularly any changes to processes to allow for the full opening of the school. 				
--	--	--	--	--	--	--

		<ul style="list-style-type: none"> Pupils are made aware of the measures that are in place, e.g. infection control and behaviour expectations, via various methods, including visual aids around the school and reminders from staff. The SBM ensures that suppliers and contractors are aware of the current covid related operational arrangements within school. The SLT reviews relevant school policies to ensure they account for new provisions. 				
Contact with potential or confirmed coronavirus cases	H	<ul style="list-style-type: none"> Pupils, staff and other adults do not enter the school premises if: <ul style="list-style-type: none"> They have any symptoms of coronavirus. They have tested positive for coronavirus in the last 10 days. They are required to quarantine having recently visited countries outside the Common Travel Area. Parents are informed via email not to bring their children onto the school premises if they show symptoms of, or have tested positive for, coronavirus. Staff are informed of the symptoms of possible coronavirus infection, e.g. a cough, loss or change in sense of smell or taste, and a high temperature, and are kept up-to-date with national guidance about the signs, symptoms and transmission of coronavirus. Staff, parents, pupils and visitors are informed of the national legal requirements regarding self-isolation, including that if they are required to self-isolate, this must be for a full 10 days from the start of their symptoms, or the date of their positive test if they did not have symptoms. Pupils and parents are made aware that, from 16 August 2021, pupils under the age of 18 will no longer be required to self-isolate if they are identified as a close contact of a positive case. Instead, pupils will be advised by NHS Test and Trace to take a PCR test and will only need to isolate if they produce a positive test. Pupils and parents are made aware that, from 16 August 2021, fully vaccinated adults who are identified as a close contact of a positive case will not need to self-isolate unless they develop symptoms or produce a positive test, as long as they are fully vaccinated. Staff who have only had one dose of the vaccine are made aware that they still need to self-isolate if identified as a close contact until two weeks after receiving their second dose. 	Y	Headteacher and SBM	Sept 2021 - ongoing	M

		<ul style="list-style-type: none"> ● Instances of staff, pupils, visitors and volunteers displaying symptoms of coronavirus are managed in line with local and national guidance. ● Pupils and parents are made aware that, from 16 August 2021, staff and students over the age of 18 will follow the same self-isolation rules as those under 18 until four months after their 18th birthday, at which point they will begin to follow the same rules as adults. This time should be used to ensure they are vaccinated if possible. ● If anyone in the school develops coronavirus symptoms while at school, they are: <ul style="list-style-type: none"> - Sent home to begin isolation – the isolation period includes the day the symptoms started and the next 10 full days. - Advised to follow the guidance for households with possible or confirmed coronavirus infection. - Advised to arrange a PCR test as soon as possible. ● Pupils being sent home after displaying symptoms who are awaiting collection by a parent are moved to a room where they can be isolated behind a closed door, with an open window for ventilation where possible. If it is not possible to isolate the pupil, they are moved to an area which is at least two metres away from others. If required, a member of staff supervises the pupil. ● Where contact with a pupil's parents cannot be made, appropriate procedures are followed in accordance with those outlined in government guidance. ● Symptomatic individuals who are sent home are directed to not use public transport to get home. ● If the pupil needs to use the toilet while awaiting collection, they use a separate bathroom if possible. The bathroom is cleaned and disinfected using standard cleaning products before being used by anyone else. ● Emergency assistance is called immediately if the pupil's symptoms worsen and they require further medical care. ● PPE is worn by supervising staff if direct personal care is needed and they cannot maintain a distance of two metres. ● Anyone who comes into contact with a symptomatic individual washes their hands thoroughly for 20 seconds with soap and running warm water or hand sanitiser. The area around the symptomatic individual 				
--	--	--	--	--	--	--

		<p>is cleaned with normal household bleach after they have left the premises.</p> <ul style="list-style-type: none"> • Staff members who have helped someone with symptoms and any pupils who have been in close contact with them are informed that they do not need to self-isolate unless they develop symptoms themselves. • The school does not routinely take the temperature of pupils. • The school refuses to admit a pupil who is displaying symptoms of coronavirus where their parents are insisting their child attends if, in its reasonable judgement, the pupil poses a risk of infection to other members of the school community. 				
Face coverings	H	<ul style="list-style-type: none"> • There is no longer a legal requirement for pupils, staff and visitors to wear face coverings in communal school areas and classrooms. • People are still permitted to wear face coverings if they choose to or are advised by a healthcare professional. • While the government has removed the requirement for face coverings from law, face coverings are still expected and recommended in enclosed and crowded places where people may come into contact with others they would not normally meet. This includes on public and dedicated school transport for children over the age of 12 years. • Where there is a substantial increase in the number of positive cases in a school, the school may be advised by a director of public health to temporarily reintroduce the wearing of face coverings in communal areas or classrooms. • Schools should ensure their contingency plans cover the need to reintroduce face coverings temporarily in communal areas and classrooms by pupils, staff and visitors. • In the event of a school or local outbreak, the school adheres to advice from a director of health that may include bringing back face coverings temporarily in communal areas and classrooms for staff, pupils and visitors. • In the event that the school must return to using face coverings, the school remains sensitive to the fact that some people are less able to wear face coverings and that the reasons for this may not be visible to others. 	Y	All staff	Sept 2021 - onwards	L

		<ul style="list-style-type: none"> • Transparent face coverings, which may assist communication with someone who relies on lip reading, clear sound or facial expressions to communicate, are worn where appropriate. • Face visors or shields are not worn as an equivalent alternative to face coverings; however, they can be worn by those exempt from wearing face coverings. • Face visors or shields are only used after carrying out a risk assessment for the specific situation and always be cleaned appropriately. • Individuals are provided with clear instructions on how to put on, remove, store and dispose of face coverings. This includes instructions to: <ul style="list-style-type: none"> - Clean hands before and after touching a face covering. - Store face coverings in individual, sealable plastic bags. - Avoid wearing damp face coverings. • Where face coverings are required, individuals are not prevented from entering or attending school on the grounds that they are not wearing a face covering. • The school has a contingency supply of face coverings. • Anyone struggling to access a face covering, or unable to use their face covering because it has been forgotten or soiled, is provided with one from the school's contingency supply. 				
PPE		<ul style="list-style-type: none"> • PPE is distributed to staff who provide intimate care for pupils and for cases where a pupil becomes unwell with symptoms of coronavirus whilst in school and a distance of two metres cannot be maintained. • Additional risk assessments are conducted on a case-by-case basis to determine whether staff require PPE to carry out other tasks and duties. • When working with pupils who cough, spit or vomit but do not have coronavirus symptoms, staff only wear PPE that would routinely be worn. • Used PPE is disposed of properly using the bin in the medical room. Staff and pupils are told not to use recycling bins for the disposing of PPE. 	Y	Headteacher and SBM	Sept 2021-ongoing	L

		<ul style="list-style-type: none"> All PPE waste is put in a plastic rubbish bag which, once full, is tied and placed in a second tied bag and stored in a suitable and secure place, marked for storage for 72 hours. Following this period, it is put in the communal waste area. 				
Hand cleaning and respiratory hygiene	Y	<ul style="list-style-type: none"> Staff, pupils, visitors and contractors are informed via email or in person that enhanced hygiene practices are still in place during step 4. Suitable handwashing facilities are provided for individuals to wash their hands regularly and at the following intervals: <ul style="list-style-type: none"> Arrival at school Return from breaks A change in rooms Before and after eating Before leaving the site There is an adequate amount of handwashing stations, which are kept well-supplied with soap and running water or hand sanitiser. Adequate amounts of tissues and bins are available in the relevant areas. Visual aids are displayed throughout the school reminding pupils to wash their hands regularly and follow the 'catch it, bin it, kill it' approach. A plan is created to assimilate the hand-washing routine and 'catch it, bin it, kill it' approach into school culture, supplemented by behaviour expectations and communication around the importance of the measures. Pupils are supervised, where appropriate, when using hand sanitiser to ensure they do not ingest any. Pupils are instructed to cough or sneeze into their inner elbow and use a tissue to cover their mouths and noses where possible, disposing of the tissue in lidded bins. Pupils wash their hands after they have coughed or sneezed. Younger pupils and those with complex needs are supported to ensure they adopt good hand cleaning and respiratory hygiene practices. 	Y	Headteacher and SBM	Sept 2021-ongoing	L

		<ul style="list-style-type: none"> Individual risk assessments are conducted for pupils with complex needs who struggle to maintain good respiratory hygiene. 				
Cleaning		<ul style="list-style-type: none"> The school maintains an appropriate cleaning schedule which includes the regular cleaning of areas and equipment. There is a particular focus on frequently touched surfaces. The School Business Manager and caretaker implement a cleaning schedule that ensures cleaning is generally enhanced and includes: <ul style="list-style-type: none"> More frequent cleaning of rooms and shared areas (including classrooms and eating areas) that are used by different groups. Frequently touched surfaces being cleaned more often than normal. Provision for ensuring toilets are cleaned regularly. The necessary areas of the school are deep cleaned with suitable cleaning agents and in line with the COSHH guidelines. All areas that have been cleaned are checked to ensure they are safe to occupy, e.g. there are no slip hazards and any harmful substances have been removed. All areas that remain temporarily closed, or partially closed for cleaning or infection control purposes, are clearly signposted. Adequate amounts of suitable cleaning agents are available. PPE is available to members of staff who require it to carry out cleaning safely. Signs are placed in relevant areas to instruct staff and pupils to always flush toilets with the lids down. 	Yes	SMB and caretaker	Sept 2021 - ongoing	L
Social distancing	M	<ul style="list-style-type: none"> The Social Distancing Policy is shared with all relevant members of the school community and adhered to where required e.g. around a symptomatic individual. Staff and pupils are informed they no longer need to adhere to social distancing measures in school unless directed. Pupils are informed they no longer need to be separated into bubbles in school. 	Yes	SMB and caretaker	Sept 2021 - ongoing	L

		<ul style="list-style-type: none"> In the event of a school or local outbreak, the school adheres to the advice of a director of public health, which may include returning to social distancing measures, including pupil bubbles, temporarily. 				
Resources	M	<ul style="list-style-type: none"> Staff and KS2 pupils have their own individual and frequently used items, e.g. pencils and pens. Classroom resources, e.g. books and games are cleaned regularly. Pupils only bring essential items to school each day, e.g. lunch boxes, hats, coats, books, stationery and mobile phones. Pupils are permitted to bring bags to school. Any shared resources that need to be taken home by pupils and staff are appropriately cleaned or a rota is put in place. 	Yes	SMB and caretaker	Sept 2021 - ongoing	L
Ventilation and heating	M	<ul style="list-style-type: none"> Staff and pupils are made aware that enhanced ventilation is still in place during step 4. The caretaker checks that all ventilation systems, including fume extraction systems, are in working order in accordance with manufacturer's recommendations, and that there are no blockages present in external or internal vents. All ventilation systems remain energised in normal operating mode. Where mechanical ventilation is used, recirculatory systems are adjusted to full fresh air where possible. Ventilation to chemical stores remains operational. Where possible, the windows of occupied rooms are open. In cold weather, where this causes issues with thermal comfort, the following mitigations are put in place where possible: <ul style="list-style-type: none"> Classrooms are rearranged to minimise the discomfort caused by draughts from open windows, e.g. by moving desks and chairs High level windows are opened in preference to low level to reduce draughts Ventilation is increased while the space is unoccupied, e.g. during break- and lunchtimes 	Yes	SMB and caretaker	Sept 2021 - ongoing	L

Fire safety	M	<ul style="list-style-type: none"> • A suitably trained individual ensures that all fire detection, alarm system, fire extinguisher and sprinkler checks are up-to-date. • The School Business Manager and caretaker ensure that the fire management plan and fire safety risk assessment are up-to-date and applicable to any changes in people movement or access, e.g. if parts of the school remain temporarily closed. • In line with any changing local guidelines, the headteacher identifies how social distancing measures are to be observed at evacuation points and communicates this to all staff, volunteers, pupils, parents and contractors. 	Yes	SMB and caretaker	Sept 2021 - ongoing	L
Testing	H	<ul style="list-style-type: none"> • All testing is carried out in line with current government guidance. • It is made clear that testing is voluntary. Individuals not undergoing testing attend school in line with normal school arrangements. • Pupils do not undergo testing. • Staff in all education settings are encouraged to test twice weekly at home until the testing guidance is reviewed in September. • The school obtains written consent from staff to process and store their testing data prior to beginning testing. • Individuals with negative test results continue to attend school unless they have been advised by NHS Test and Trace or another health professional to stay at home. • Staff undergoing testing are supplied with LFD test kits to self-swab and test themselves twice a week at home. • Staff are fully informed of the testing programme. • Individuals report their results to NHS Test and Trace as soon as the test is completed, either online or by telephone. • Individuals who receive a positive result from an LFD test complete a 10-day period of self-isolation and are asked to arrange a confirmatory PCR test. • [New] If the test result is positive, staff inform the school of the result and the school will call the Self-Isolation Service Hub on 020 3743 6715 to make them aware. 	Yes	SMB and caretaker	Sept 2021 - ongoing	L

		<ul style="list-style-type: none"> • Individuals who test positive using an LFD test arrange their PCR test within 2 days of the positive result. All positive results from LFD tests, whether conducted at home or at school, are confirmed with a PCR test. • Staff, pupils and parents are made aware that negative results from confirmatory PCR tests taken within 2 days of LFD tests override positive results from LFD tests; therefore, individuals who receive negative PCR test results can return to school, provided they do not have symptoms. • Individuals do not take an LFD test if they have tested positive for coronavirus within the last 90 days. • Individuals are informed that LFD tests are not to be used if they begin to develop symptoms of coronavirus; they instead begin self-isolating immediately and book a PCR test. • Testing kits are stored indoors between a temperature of 2 to 30°C. • A test kit log is in use and kept up-to-date with the relevant information required. • A test result log is in use and kept up-to-date with the relevant information required. • The data held in the test kit log and test result log is stored in line with the school's Data Protection Policy at all times. 				
NHS Test and trace	H	<ul style="list-style-type: none"> • The school makes staff aware that is not responsible for Test and Trace contacting. This will be taken over by the NHS Test and Trace service. • The school makes staff aware that the NHS Test and Trace service will inform staff and pupils if they have been in close contact with a positive case of coronavirus and will advise them to take a PCR test. • The school continues to work with local HPTs in the event of a school or local outbreak. • Staff members and parents are informed that they will need to engage with the NHS Test and Trace programme if they are contacted, meaning they need to be ready and willing to: <ul style="list-style-type: none"> - Book a PCR test if they (or their child) display symptoms. 	Yes	SMB and caretaker	Sept 2021 - ongoing	L

		<ul style="list-style-type: none"> - Provide details of anyone they (or their child) have been in close contact with if they were to test positive for coronavirus or are asked by NHS Test and Trace. - Take a test if they have been in close contact with someone who develops coronavirus symptoms or someone who tests positive. - Self-isolate if they display symptoms or produce a positive test. ● Anyone in school who displays symptoms is encouraged to get a PCR test. ● If the school believes a symptomatic individual may face barriers to accessing a PCR test elsewhere, the school provides them with a PCR test. ● PCR tests stored on the school site are stored securely at ambient room temperature (5 to 22°C). ● The school considers offering a symptomatic staff member a PCR test if they cannot otherwise access testing quickly and if the individual is vital to the running of the school. ● PCR tests are delivered safely and with due regard for transmission risk. ● Individuals are asked to inform the school immediately of test results. ● If an individual tests negative, they feel well and no longer have coronavirus symptoms, they, and the members of their household, can stop self-isolating as long as: <ul style="list-style-type: none"> - They were not told to self-isolate for 10 days from the day after contact with the individual who tested positive by NHS Test and Trace. - They feel well. ● If an individual tests positive, they are required to self-isolate for at least 10 days from the onset of symptoms and then return to school only if they do not have symptoms other than a cough, or loss of or change in their sense of smell or taste. Other members of their household are required to continue self-isolating for the full 10-day period unless they are fully vaccinated adults or under the age of 18. ● Staff are encouraged to download the NHS Test and Trace app – rules on mobile phones in school are relaxed to accommodate this. 				
--	--	--	--	--	--	--

		<ul style="list-style-type: none"> Individuals are informed that, if they receive notification via the NHS Test and Trace app that they have been in close contact with a positive case, they must inform the school immediately. Individuals who test positive are encouraged to report the result on the NHS Test and Trace app. If a member of staff receives notification that they need to self-isolate, the school will consider the action that needs to be taken to ensure continuity of education. Individuals are made aware that they are not required to self-isolate if they live in the same household or are a close contact of someone with coronavirus, and any of the following apply: <ul style="list-style-type: none"> They are fully vaccinated. They are below the age of 18 years and 6 months. They have taken part in or are currently part of an approved vaccine trial. They are not able to get vaccinated for medical reasons. Pupils under 18 and 6 months that have been identified as a close contact are made aware that they should continue to attend school as normal. 				
Confirmed cases of coronavirus	H	<ul style="list-style-type: none"> Parents are informed, via letter, of how the school responds to confirmed cases of coronavirus. Where an individual in the school community tests positive for coronavirus, the school follows public health advice and the headteacher contacts the DfE's dedicated advice service immediately. The school works with the DfE's dedicated coronavirus advice service (or local HPT if the case is escalated) to carry out a rapid risk assessment and identify appropriate next steps. Household members of individuals who develop symptoms or test positive also begin self-isolating, starting from the day the individual's symptoms started, or the day of their positive test result if asymptomatic, and continue to self-isolate for the next full 10 days. Household members of close contacts of positive or symptomatic individuals do not self-isolate unless they, or the close contact, develop symptoms or test positive. Where required, all parents and staff are informed of the confirmed case; however, the name of the individual is not shared. 	Yes	Headteacher SMB	Sept 2021- ongoing	L

		<ul style="list-style-type: none"> • The school does not request evidence of negative test results or other medical evidence before admitting individuals back to school after a period of self-isolation. • If the school has two or more confirmed cases within 14 days, or an overall rise in sickness absence where coronavirus is suspected, the school continues to work with the DfE's dedicated coronavirus advice service (or local HPT if the case is escalated). • The individual who tested positive can stop self-isolating after they have finished their isolation period and their symptoms have gone or if they continue to only have a residual cough or anosmia. 				
Attendance	M	<ul style="list-style-type: none"> • The school informs parents and pupils that attendance is mandatory for all pupils. • Parents are informed that the usual rules on school attendance apply – this means parents have a duty to ensure that their child attends regularly. • The attendance register is taken as normal and absences are followed up, in line with the Attendance and Absence Policy. • Where a pupil is unable to attend the site because they are complying with clinical and/or public health advice, they are offered access to remote education immediately. • Any concerns from staff, parents and pupils about being on the school site are discussed between appropriate individuals. • Pupils who are reluctant or anxious to attend school are identified and relevant staff members develop plans to reengage these pupils. • The school uses the additional catch-up funding, as well as existing pastoral and support services, resources and funding, to put in place measures for those families who need additional support to secure pupils' regular attendance. • Staff and pupils who have returned to the UK from foreign countries within the last month complete the necessary quarantine period, as outlined in the government's guidance, before attending school. • The school works the LA to engage with families who are abroad to understand the pupils' circumstances and their plans to return. The school will encourage families to return where they are able to, 	Yes	Headteacher SMB	Sept 2021- ongoing	L

		<p>emphasising the benefits of regular school attendance and reminding them that school attendance is mandatory.</p> <ul style="list-style-type: none"> Where possible, remote education will be provided for pupils who are abroad, and facing challenges to return due to coronavirus-related travel restrictions, for the period they are abroad. 				
Protecting clinically vulnerable individuals	M	<ul style="list-style-type: none"> Clinically vulnerable and clinically extremely vulnerable (CEV) pupils are supported to attend on-site provision. Pupils who live with someone who is CEV continue to attend school as normal. All CEV pupils attend the school unless they have been advised by their GP or clinician not to attend. The relevant staff liaise with the parents of pupils who are deemed more vulnerable to infection and discuss their concerns and the infection control measures in place at the school. The school collaborates with the LA to ensure that alternative arrangements for CEV pupils are in place are in place to prepare for the event that the school site is required to close. If CEV pupils are self-isolating and cannot attend on-site provision, procedures are put in place to maintain contact and make sure their parents know that the decision not to attend can be revisited at any time. In line with current government guidance, CEV staff continue to work from home where possible. If this is not possible, they are supported to attend the school site. Clinically vulnerable staff continue to attend school provided they follow the system of controls to minimise the risks of transmission. Staff who live with those who are CEV attend the workplace but ensure they maintain good prevention practice in the workplace and at home. Line managers hold discussions with staff who are deemed more vulnerable to infection and discuss their concerns and the infection control measures in place at the school. The SLT considers requests made by staff who wish to make changes to their working environment or working hours in the interest of health and safety. 	Yes	Headteacher SMB	Sept 2021 - ongoing	L

		<ul style="list-style-type: none"> • If required, CEV staff can adjust their working hours, as agreed by the SLT. • The headteacher ensures that the school can be adequately and safely staffed. • A separate risk assessment is carried out for pregnant staff. The school follows the relevant specific guidance for pregnant employees. • Pregnant staff of any gestation are not required to continue working on site if this is not supported by the separate risk assessment. • Staff who are 28 weeks pregnant and beyond, or are pregnant and have an underlying health condition that puts them at a greater risk of severe illness from coronavirus at any gestation, are supported to take a more precautionary approach. • The school ensures pregnant staff are able to adhere to any active national guidance on social distancing and/or advice for pregnant women considered to be clinically extremely vulnerable. • The above principles on protecting pregnant staff also apply to pregnant pupils. • The school encourages staff to get vaccinated if possible, and enables these staff members to attend booked vaccination appointments, even during term time. 				
Workforce	M	<ul style="list-style-type: none"> • Appropriate support for pupils with SEND remains in place. • Line managers discuss and agree any proposed changes in role or responsibility with members of staff. • The headteacher ensures safe staffing ratios are met and that all staff have the relevant training to undertake their roles. If there are concerns about staffing capacity, the headteacher talks to the LA. • Arrangements are made to enable specialists, therapists, clinicians and other support staff for pupils with SEND to continue to provide interventions as usual. • [Updated] The school continues its recruitment processes as normal. 	Yes	Headteacher SMB	Sept 2021 - ongoing	L

<p style="text-align: center;">[New] Unvaccinated members of staff</p>		<ul style="list-style-type: none"> • The school encourages all eligible staff to take up the vaccine offer. • The school enables staff who are eligible for vaccination to attend booked appointments, including during term time where possible. • The school asks for the vaccination status of members of staff on the basis that schools are a place of high contact and its need to protect other staff and pupils. • Where a member of staff raises concerns about the vaccine, their line manager or a trusted member of staff discusses the matter with them openly and honestly, listening to any concerns without pressuring the staff member to make a decision. • Copies of any communications produced by the school regarding vaccination are retained, in line with the Data Protection Policy, in case of complaints from a member of staff. • Unvaccinated members of staff are reminded by their line manager to pay particular attention to the school's existing system of controls, e.g. regular handwashing. • The headteacher considers additional measures to protect unvaccinated staff members on a case-by-case basis. Measures to consider include the following: <ul style="list-style-type: none"> - Working from where possible - Increased use of testing - Social distancing - The use of PPE • The school adheres to the Data Protection Act 2018 and the UK GDPR when asking staff members if they have been vaccinated and when handling information relating to the vaccination status of a member of staff. • In all cases, the school does not discriminate against any member of staff who has not being vaccinated for any reason, and adheres to its duties under the Equality Act 2010. 				
---	--	--	--	--	--	--

		<ul style="list-style-type: none"> The school consults legal advice in all cases where there is the possibility of a dispute regarding the vaccination status of a member of staff or its organisational approach to vaccines. 				
Transport	M	<ul style="list-style-type: none"> In the event of a school or local outbreak, the headteacher speaks to the school's LA or transport provider to assess the approach to dedicated school transport they are adopting. Pupils do not board home to school transport if they, or a member of their household, has a positive test result or symptoms of coronavirus. The LA liaises with transport providers to ensure they are adopting COVID-secure protocols, and requests a copy of their risk assessment, where relevant. Pupils are advised to clean their hands before boarding transport and again on disembarking. Additional cleaning of vehicles is carried out regularly. If a parent tests positive which prevents them from being able to transport children to school, the school works with the family and the LA to find a way to continue transporting the child/children to school. 	Yes	Headteacher SMB	Sept 2021 - ongoing	L
Catering	M	<ul style="list-style-type: none"> The school's kitchen is fully open and operates within usual legal requirements. The SBM liaises with catering providers to ensure the kitchens can remain fully open and food is prepared and delivered in line with government's 'Guidance for food businesses on coronavirus (COVID-19)'. FSM or vouchers are provided for eligible pupils who are not attending school during term time where they: <ul style="list-style-type: none"> Are self-isolating. Have symptoms or a positive test result. Are not attending as a result of local restrictions advised by the government. 	Yes	Headteacher SMB	Sept 2021 - ongoing	L

Remote learning	M	<ul style="list-style-type: none"> While attendance is mandatory, remote learning is provided for pupils who are following clinical or government guidance to stay at home, e.g. where they are self-isolating. All such pupils not physically unwell are given access to remote education as soon as reasonably practicable. The headteacher ensures that pupils taught remotely in KS1 are set work that as a minimum covers three hours a day on average, and ensures that pupils taught remotely in KS2 are set work that as a minimum covers four hours a day. Teaching staff deliver all remote education in line with the expectations set out in the Pupil Remote Learning Policy. The headteacher ensures that all teaching staff understand these expectations and know how to seek help if they feel unable to meet them. The school informs parents that they should raise any concerns about the quality of the school's remote education offer with the headteacher in the first instance, and that parents may contact Ofsted directly if they feel their concerns have not been satisfactorily addressed. 	Yes	Headteacher	Sept 2021 - ongoing	L
Uniform	L	<ul style="list-style-type: none"> The usual rules on school uniform apply; however, the school takes a mindful and considerate approach to non-compliance, particularly in the event of shops not being open. Expectations of uniform are communicated to pupils and parents. To mitigate thermal discomfort caused by increased ventilation, pupils are able to wear additional, suitable indoor items of clothing in addition to their usual uniform – where this occurs, no additional financial pressure is placed on parents. 	Yes	Headteacher	Sept 2021 - ongoing	L
Educational visits	M	<ul style="list-style-type: none"> Educational visits will be conducted in line with the government's roadmap. This includes system of controls and the COVID-secure measures in place at the destination. A full and thorough risk assessment is made in relation to all educational visits to ensure they can be undertaken safely. The school ensures it is prepared to carry out domestic day trips and residential trips. 	Yes	Headteacher/ SBM	Sept 2021 - ongoing	L

		<ul style="list-style-type: none"> • Pupils are allowed on trips to outdoor public places and do not need to be restricted to limits on gatherings, provided: <ul style="list-style-type: none"> - The EYFS staff:child ratios are maintained. - A risk assessment is conducted in advance. - Good hygiene is maintained throughout. - Thorough handwashing happens before and after the trip. - The trip is carried out in line with relevant local or national coronavirus guidance. - Appropriate insurance arrangements are in place. • The school ensures that it has adequate travel insurance and discusses any questions about cover with its insurance provider. • The school follows the guidelines relevant to trips to indoor spaces. Once inside: <ul style="list-style-type: none"> - Staff are to remain with the pupils in the group. - Pupils and staff should wash hands thoroughly on arrival and before leaving. 				
Extracurricular activities and wraparound provision	M	<ul style="list-style-type: none"> • The school works to provide all before- and after-school educational activities and wraparound childcare for all pupils. • Parents are advised of the provision available and that they should limit the use of multiple out-of-school settings providers where appropriate. • Wraparound provisions are run in line with the current government guidance i.e. are Covid secure. • Parents are able to access wraparound and extracurricular provision for their children, without any restrictions on the reasons for which they may attend. 	Yes	Headteacher/ SBM	Sept 2021 - ongoing	L
Curriculum	M	<ul style="list-style-type: none"> • All pupils are given the support required to make good progress. • Relevant staff members discuss how the government's curriculum expectations can be met and ensure this is communicated across the school. 	Yes	Headteacher/ teachers	Sept 2021 - ongoing	L

		<ul style="list-style-type: none"> • The government's catch-up funding is utilised to ensure pupils receive the support they need to catch-up on learning lost due to the coronavirus pandemic. • The Music lead ensures staff and pupils are aware that there is evidence to suggest that singing and playing wind and brass instruments increases the risk of coronavirus transmission due to the cumulative aerosol transmission. • The headteacher and Sport coach ensures protective measures are in place to minimise the risk of coronavirus transmission during dance lessons, e.g. not allowing contact dancing. • The school only permits team sports on the list in the Department for Digital, Culture, Media & Sport's (DCMS) team sport guidance. • Sports equipment is thoroughly cleaned between uses and/or used on a rota. • School swimming and water safety lessons are conducted in line with Swim England's guidance. • Outdoor sports are prioritised where possible. • Large indoor spaces with maximised natural ventilation flows, e.g. through opening windows and doors, are used where outdoor sports are not possible. • Staff are made aware that social distancing in sports is not required unless directed. • The school works with external coaches, clubs and organisations for curricular and extracurricular activities and considers how such arrangements operate within the school's wider protective measures. • Competitions between different schools, whether indoor or outdoor, can take place in line with government guidance. 				
Behaviour expectations	M	<ul style="list-style-type: none"> • The school's Behaviour Policy sets out behaviour expectations for pupils and is updated in line with new rules and measures. • Expectations are communicated clearly to staff, pupils and parents. • Pupils who are struggling to re engage with school are supported appropriately. 	Yes	Headteacher/teachers	Sept 2021 - ongoing	L

Wellbeing	M	<ul style="list-style-type: none"> ● The SLT nominates a lead member of staff (FLO) to receive training as part of the Wellbeing for Education Return programme, who can then disseminate the learning and practice to staff and pupils within the school. ● Staff are vigilant in discerning pupil mental health and report any concerns to the FLO. ● The school provides opportunities for pupils to talk about their mental health and experiences during the pandemic. ● Pupils have access to pastoral support and activities, e.g. opportunities to renew and develop friendships. ● Pupil and parent surveys are sent out to assess how they feel and to enable staff to act on any concerns pupils and parents may have. ● The SLT discusses the implications on staff and pupil workload and puts a plan in place to minimise the risk of stress. ● The headteacher and the FLO liaise with the LA to determine what additional support is available for pupils who are suffering with their mental health. ● The headteacher and the SENCO identify pupils with additional needs and put provision in place to ensure their needs are adequately and safely met, e.g. the relevant staff are available. ● Teachers and the SENCO work together to ensure pupils with SEND are prepared for changes to their routine. ● The headteacher and DSL ensure provision is in place to help protect wellbeing and mental health, and ensure all staff and pupils have access to psychological support. ● The FLO ensures that adequate pastoral care is in place to support pupils and staff who require it. ● The school engages with local immunisation providers to ensure immunisations programmes can be provided on site in line with the relevant protective control measures. ● Safeguarding issues are managed in line with the Child Protection and Safeguarding Policies. ● Staff and pupil bereavement is managed in line with the Bereavement Policy. 	Yes	Headteacher/ FLO	Sept 2021 - ongoing	M
-----------	---	--	-----	---------------------	---------------------------	---

Safeguarding	H	<ul style="list-style-type: none"> • The school's Child Protection and Safeguarding Policies are reviewed annually. • The DSL and deputies liaise with the necessary personnel and parents to manage and address any new and ongoing safeguarding concerns, e.g. ongoing bullying. • The DSL and deputies ensure that adequate pastoral care is in place to support pupils and staff who require it. • The DSL and deputies ensure the relevant staff have the appropriate training to support pupils and staff who require pastoral care. • The DSL and their deputies are provided with time to help them support staff and pupils in relation to any new safeguarding and welfare concerns and the handling of referrals to children's social care and other agencies. • If a parent elects to educate their child at home, the school considers whether this decision gives greater cause for concern compared to the pupil remaining in school. If there is cause for concern, the DSL considers making a referral to the LA. 	Yes	Headteacher/ DSLs	Sept 2021 - ongoing	M
Communication	M	<ul style="list-style-type: none"> • The headteacher puts into place any actions or precautions advised by the DfE's helpline or local HPT if necessary. • The headteacher liaises with the LA where necessary • The school's website is kept up to date with any important information regarding the running of the school after the country enters step 4 of the coronavirus recovery roadmap, e.g. local arrangements. • Parents are informed via letter about the relevant information regarding the running of the school after the country enters step 4, including any pick-up and drop-off arrangements and the removal of restrictions such as social distancing. An updated letter will be sent out during the Autumn term. • Staff and volunteers are informed via email about the relevant information regarding the running of the school after the country enters step 4. • Staff are informed of who they can turn to for support and there are several avenues they can follow, e.g. line manager, other senior staff or colleagues. 	Yes	Headteacher/ SBM	Sept 2021 - ongoing	L

		<ul style="list-style-type: none"> • All staff, pupils, parents, visitors and volunteers are made aware of the symptoms of coronavirus, what to do if they display symptoms, and if others display symptoms. • The headteacher liaises with the governing body about possible arrangements for running the school after the country enters step 4, where necessary. • The SLT is actively present around the school to provide additional support, advice and reassurance. • The SBM communicates with suppliers and contractors regarding the running of the school after the country enters step 4 and reinstating or suspending the supply of any required goods or services. • A record is kept of all visitors and contractors that come to the school site. 				
Protective measures in early years settings	M	<ul style="list-style-type: none"> • The setting is not required to arrange children and staff in small, consistent groups. • Children are supervised when washing their hands or using hand sanitiser and are taught how to do so effectively. • A good supply of disposable tissues is available throughout the premises and 'catch it, bin it, kill it' is encouraged through signage and prompting. • An enhanced cleaning schedule is put in place. • Surfaces, toys, books, doors, sinks, toilets and light switches are cleaned more regularly, using disinfectant, in line with the COSHH guidelines. • Activities that involve malleable materials for messy play, e.g. sand, mud and water, are risk assessed. • Frequently touched surfaces, equipment, tools and resources for messy play are thoroughly cleaned and dried before they are used by a different group. • Clear procedures are put in place to ensure stringent cleaning processes are followed for food preparation areas, dining areas and table coverings. 	Yes	Headteacher/ SBM	Sept 2021 - ongoing	L

		<ul style="list-style-type: none"> • If a child attends more than one setting, the settings work together with parents to address any risks identified, allowing them to jointly deliver appropriate care. 				
Ventilation		<ul style="list-style-type: none"> • Staff and pupils are made aware that enhanced ventilation is in place. • The site manager checks that all ventilation systems, including fume extraction systems, are in working order in accordance with manufacturer's recommendations, and that there are no blockages present in external or internal vents. • All ventilation systems remain energised in normal operating mode. • Where mechanical ventilation is used, recirculatory systems are adjusted to full fresh air where possible. • Ventilation to chemical stores remains operational. • A ventilation audit is carried out to assess the quality of ventilation in school spaces. • Where possible, the windows of occupied rooms are open. In cold weather, where this causes issues with thermal comfort, the following mitigations are put in place where possible: <ul style="list-style-type: none"> - Classrooms are rearranged to minimise the discomfort caused by draughts from open windows, e.g. by moving desks and chairs - High level windows are opened in preference to low level windows, to reduce draughts - Ventilation is increased while the space is unoccupied, e.g. during break- and lunchtimes • The relevant staff adjust any thermostats to heat internal spaces and water, ensuring a suitable stable temperature is maintained. • Where heating has been switched off or energy supplies for heating have been isolated, a suitably trained individual switches them back on, as required. 				

		<ul style="list-style-type: none"> • [New] The school uses CO₂ monitors provided by the DfE to help assess how well-ventilated spaces in the school are, and find a good balance of ventilation and thermal comfort. • To avoid inaccurate readings, CO₂ monitors are placed: <ul style="list-style-type: none"> - At head height when seated. - Away from ventilation outlets, such as grilles or windows. - At least 0.5 metres away from occupants of the space being monitored. • The school maintains a consistent CO₂ monitor reading value of 800ppm or under. • Where the CO₂ monitor reading exceeds 800ppm, ventilation is increased in the necessary space(s). • A separate risk assessment is carried out to cover the use of any poorly ventilated spaces.
