Dear Parents and Carers

Re: Dinosaur Workshop

As part of our learning this half term, Anning Class have been finding out about Mary Anning, fossils and dinosaurs.

To enhance this further and to give a practical hands-on experience, I have booked a workshop to take place in school on Thursday 28th September. A member of staff from Dinosaur Isle will be visiting the class to talk to the children about dinosaurs, fossils and how they are formed. Children will have an opportunity to handle real fossils and to ask questions from the expert.

We are asking for a voluntary contribution of £2 per pupil towards the cost of the workshop. This can be paid on your School Money account.

This should be a great experience for the children who are thoroughly enjoying the topic so far.

Yours sincerely

Mrs Collins
Class Teacher
