Dear Parents and Carers

Re: Nightingale Class Trip to Nature Zones

On October Tuesday 10th Nightingale class will be heading on an exciting trip to visit Nature Zones.

Information about the trip:

Nature Zones is an outdoor learning environment where children can explore the outside and understand how we can help look after the environment and living things. We look forward to this exciting adventure together.

The PTFA have very kindly agreed to pay for the travel costs for this trip. We are asking for a contribution of £3 per pupil to support us with the cost of the visit with Nature Zones. Whilst this contribution is voluntary, insufficient funds may result in the visit being unable to go ahead.

This educational visit is covered by the annual consent form that you have signed so no additional consent needs to be given.

When:

We will be leaving school after registration and will return to school in time for normal school lunches.

Clothes:

Please send your child to school wearing suitable warm and waterproof clothing as the activities will be outside. Wellington boots will be needed and some trainers to change into on our return to school. Please also send a spare set of clothes.

Weather:

The trip should go ahead in most weathers however there is a chance it may need to be postponed should there been any adverse weather.

Kind regards

Miss Mitchell

Class Teacher
