Dear families,

Re: Year 5 Science Trip – Winchester Space Dome

On **Friday 11th October** Year 5 will be visiting Summerfields Primary School in Newport for an immersive space experience in a state of the art, mobile planetarium.

We will be travelling to Summerfields in two minibuses. The PTFA have kindly offered to help by subsidising 50% of the cost of this travel. We are asking for a small contribution of £3 per pupil for the remaining minibus balance.

Information about the trip

The trip will take place on the morning of Friday 11th October. Children will arrive at school as normal. We will head out to Summerfields Primary at approximately 9.20am. We will spend 1 hour at the dome, returning to school at 11am.

Clothing

The children need to come to school in their correct uniform please – not PE kit.

Food and Drinks

Children will return to school for lunch as usual. Please remember to pack a reusable water bottle and fruit snack.

This trip is covered by your off-site visit consent held on your child's file so separate consent is not required.

If you have any queries, please do not hesitate to get in touch with the office.

Yours sincerely

Angela Collins – Science Lead
