Year One Visit to Naturezones on Thursday 13th June

We are all really looking forward to our visit to Naturezones next half term. The children will be going on a minibeast safari and pond dipping. Please ensure that your child is in school on time as we hope to leave as soon as possible after registration.

All children should be in school uniform and bring a suitable coat (if rain is forecast). Due to the nature of the activities at the site, your child should wear sensible footwear that you are happy for them to get a little muddy. Trainers would be ideal. If the weather looks to be sunny please put sun cream lotion on your children before you come to school. If you want them to reapply sun cream during the day, please supply a named bottle of sun cream for your child.

Your child should bring their packed lunch in plastic bags please. If you have requested a school lunch, staff will collect in the morning and will be in classrooms. We will take the children's fruit snack with us, which will be eaten when we arrive at the park.

We aim to return to school at 2.50pm in time for the end of the school day.

The cost of this trip is £2.80 per child. Please could this be paid via the school money app by 3/6/19.

Thank you for your continued support of the school in making educational visits part of the engagement of the wider curriculum.

Mr B Price

Child's name.....

My child will be attending the educational visit and I agree to pay £2.80 via the school money app to support the cost of this visit.

I would like to order a **free** school packed lunch for this visit.

I will bring my own packed lunch.
