Thursday 11th July 2019

Dear Parent/Carers,

Transition to New Classes

Tomorrow, the children in all classes across the school, will transition to their new classroom to meet their new teacher for the next academic year. This coincides with the second day of transition that the Year Six pupils are experiencing in their secondary schools.

The information tabled below explains the staffing structure for the new academic year as well as the children's new location in the school. This has been given very careful consideration, as the planning application for the school has been agreed and building work will commence during the academic year! Whilst I can confirm the classroom locations, the routes into and out of the school and routes to the individual classrooms at the start and end of the day will be advised of, after the building meeting which is scheduled for the 16th July.

Class	Teacher	Teaching Assistant(s)	Classroom from September
Reception	Mrs Sims	Mrs Green	In the current Y4 Classroom
Year One	Miss Durand	Mrs Illman	In the current YR classroom
Year Two	Mrs Brown	Mrs Wooldridge & Mrs Marsh	In the current Year One Classroom
Year Three	Mr Price	Mrs Grace	In the current Year Two Classroom
Year Four	Mr Shipley	Miss Whittaker & Mrs Plummer	In the current Year Three Classroom
Year Five	Mr Silk	Miss Price	Remain in the current Year Five Classroom
Year Six	Mrs Wilkinson	Mrs Rogers	Remain in the current Year Six Classroom

The children must go to their usual classroom on Friday morning to register there first.

As you will notice Mr Taylor is not on our list of staff for next academic year as he has chosen to extend his teaching career and move to a new school to develop his professional career. We are extremely sad that he is leaving Wroxall after so many years supporting children and families at the school. Mr Taylor has grown into a fabulous teacher and has supported so many events both in school time and after school as part of role. For this we are so grateful. We wish to take this opportunity to thank him for all his work and commitment to the school and wish him well as he starts new ventures in September.

It is with sadness that we will soon be saying a BIG thank you and goodbye to two highly regarded teaching assistants, who are also moving on to further their careers as trainee teachers next year. Mrs Illman and Miss Smith will be moving to another Island school to train to teach. Huge thanks go to both staff for their individual, group and collaborative work with children in the school both now and in the past and the contribution they have made.

The teacher in Year Five is a new teacher to the school (no relation, may I add, to Mr Silk that was here on supply in Y3). Mr Silk who is joining us is a newly qualified teacher and is really looking forward to starting his career at the school. I am sure he will be an asset to the team.

Mrs Wilkinson will remain as Senior Lead teacher at the school, as well as Y6 class teacher. Mrs Wilkinson has a teaching commitment for core subjects in the morning and will continue to be non-class based, as this year in the afternoons. This allows for the leadership and management aspects of school life to be completed. Mrs Wilkinson works very closely alongside myself in taking the school onwards and upwards in its journey to once again be a Good school.

If you have any questions please do not hesitate in making an appointment to see your child's class teacher or myself. Thank you for your continuing support of the school,

Kind Regards,
Mrs Rebecca Day – Interim Executive Headteacher
