RE: Consultation of parents regarding Relationships, Health and Sex Education

Dear parents and carers,

I am writing to invite you to review a presentation of the proposed changes which are planned at Wroxall Primary School this academic year with regard to our Relationships, Health and Sex education policy and curriculum.

At Wroxall Primary, we value your opinions and input regarding the education of your children and would like to ensure you are consulted in any policy change regarding this part of the curriculum. Parents should have every opportunity to understand the purpose and content of relationships and health education, and we would like to develop a cooperative relationship with you.

Although we would very much have liked to carry out this consultation in person, due to the current COVID-19 related restrictions, we have needed to change the approach we use. Therefore, please find posted on our school website, a presentation PowerPoint explaining the changes to our Relationships, Health and Sex Education policy and a copy of the revised policy. This is an important opportunity to discuss how RHSE contributes to wider support in terms of pupil wellbeing and keeping children safe, and to recognise that a range of approaches may be needed. Along with this letter we have attached a copy of 'Understanding Relationships and Health Education in your child's primary school: a guide for parents', which further outlines the changes to policy and approach.

We would like to invite you to share any thoughts or concerns regarding this proposed change in policy. Once you have reviewed the changes, I would very much appreciate it if you would complete the Google form attached to the link below in order to provide some feedback for us.

If you would like to discuss the changes further or ask any questions, please do not hesitate to contact Mrs Brown (RHSE lead) or myself either in person or using the office phone number or email address.

Thank you for taking the time to read this letter, I look forward to hearing your input.

Yours sincerely
