Monday 8th November

Dear parents and carers,

Jamaica class - Animal visitors in school

I am writing to inform you that on Thursday 12th November there will be two animal guests coming into our class for a visit. A baby tortoise and an older rabbit who are the family pets of myself and Mrs Illman, will be in school helping to engage the children in their English learning journey. As you are aware from the topic web our English text driver is "The Hare and Tortoise".

I feel that having first-hand experience of meeting the animals that we are writing about in our English lessons will be very supportive for the children's learning.

If you have any questions or concerns; need to inform the school that your child has any fears or phobias or would prefer that your child does not participate in the handling activity, please speak to Mrs Brown or contact the school office.

Many thanks for your continued support.

Kind regards

Mrs Brown
