Dear Parents/Carers,

FREE SCHOOL MEAL PROVISION DURING LOCKDOWN

I am writing to you because your child is on our list as entitled to a Free School Meal during this period of national lockdown.

Our brand new kitchen at Wroxall Primary is now fully operational and Jo our school cook, will be preparing meals for all children of critical workers and vulnerable families who are attending school. Please order as usual through the School Money system.

For children entitled to a free school meal who are not attending school, we can offer a food parcel for you to collect from the school's entrance hall once a week. The food parcels will be prepared by Jo in our school kitchen and will contain a variety of food to enable you to prepare simple and healthy lunches for your child at home.

Please could you confirm by email or phone (852290) as soon as possible, if you would like to receive a weekly food parcel.

We look forward to hearing from you.

Kind regards

Lynn Torrance
