Substantial building work is currently underway to develop the facilities for children and staff. Our brand new KS2 classroom block is due to be completed by November 2020 with the whole school refurbishment being completed by April 2021. We also have the added bonus of providing education to the nurse children from 2yrs within our on-site pre-school.

Wroxall Primary School is an exciting place to be. This is a great opportunity for someone who is keen to develop their teaching skills; be proactive in raising standards of attainment and to embody our vision of providing the very best for each and every pupil. We are seeking an excellent teacher who has energy, enthusiasm, drive and dedication to join our team, bringing about quality outcomes for all the children.

The role currently advertised, offers the opportunity to lead a significant curriculum area across the school. This could be in relation to Inclusion or Maths depending on the skill set of the successful candidate. Working as part of a supportive, hardworking and encouraging team, opportunities to access quality CPD will be given. The school is a reflective environment and you will be expected to contribute to a strong team ethos focussed to improvement.

Please read the Job Description and Person Specification carefully and complete the application form giving as much relevant information as you can.

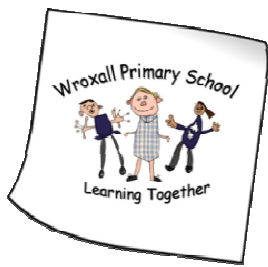

Although we currently cannot accept visitors into school, I would very much welcome the opportunity to meet with you virtually or to speak on the phone to discuss this role further and answer any questions you may have. Please contact the school office via email or phone to arrange this. Thank you for taking the time to enquire about the opportunity to join our welcoming and dedicated team.

I look forward to receiving your application.

Yours sincerely
